GSA Schedule

FSC Group 54 – Above Ground Storage Tanks and Fuel Management Systems
Contract Number: GS-07F-0499W
Information Technology (IT) Schedule
Contract Number: GS-35F-0549L

Milestones

Products

- FuelsManager®
- Communication Interfaces
- Data Capture Units
- Float and Tape Gauges
- Operator Interface Terminals
- Radar Gauges
- Servo Gauges
- Temperature Probes
- Transmitters

Market Solutions

- Defense Fuel Management
- Aviation Fuel Management
- Bulk Liquid Inventory Management
- SCADA
- Tactical Liquid Storage
- Terminal Automation

Services

- Configuration Management
- Environmental Programs
- Field Service and Training
- Life Cycle Sustainment
- Program and Project Management
- Systems Engineering
- Technical Support Plans
- Training Programs
